

Space Saver Rowing Systems Mechanical Quad Stacker

Reach new heights!

This practical and easy to use racking system can greatly assist your rowing program by literally lifting it to new heights.

The moving racks enable every boat to be loaded at the most convenient height for your rowers. No more standing on tip-toes or using unstable steps!

Lift your game.

- > Reduce risk of injury to junior rowers
- > Increase safety standards
- > Protect your valuable boats
- > Simple key lockout of operator controls
- > Save time on each and every training outing
- > Can accommodate up to 10 racks over 6m of height
